

Town Square Television

Seeking a Talented Full-Time Video Producer to Join Our Team!

Are you interested in joining a small but mighty community media station with a big heart? Town Square Television is searching for a highly skilled video producer to join our award-winning creative team. We need a versatile team player with experience in all areas of professional video production. You will write, shoot and edit field packages for our flagship news magazine *Insight 7*, reporting stories from the seven cities of northern Dakota County. You will share your passion for storytelling by producing custom videos for our non-profit, government, and local business clients. You will collaborate with teammates to produce longer-form documentary projects. You will produce live multi-camera mobile truck productions (covering high school sports, concerts and community events) and live or recorded studio programs. You will share your knowledge and insights with students, volunteers, and independent producers learning to create their own content in our public access training environment. Learn more about us at www.townsquare.tv.

The ideal candidate will bring the following assets to our team:

- Videographer with experience shooting ENG and Full Frame Cinema cameras
- Editor with deep knowledge of Adobe Creative Cloud, especially Premiere and After Effects
- Graphic designer who has demonstrated ability to produce stunning visual elements
- Seasoned producer/writer/reporter (on camera or voice-over talent is a bonus)
- Set designer and lighting artist with an eye for creating appealing sets
- Studio and/or mobile truck producer who has directed live multi-cam events
- Excellent writer of video scripts including promos, news stories, documentaries, class training materials

Family-friendly work atmosphere with supportive leadership. Flexible schedule, mostly Monday-Friday with evenings and weekends as events require. Studio, post-production suites, Master Control and public access facility located in Inver Grove Heights, MN. Town Square Television produces and distributes multiple format video programs for five local cable TV channels, live stream and archive viewing online, and social media.
